

## MAJOR ROAD WORK PLANS WILL CLOSE SOUTHBOUND POWER PLANT PARKWAY THROUGH END OF YEAR

Southbound lanes of Power Plant Parkway between Mercury Boulevard and Pine Chapel Road will be closed starting July through December 2017 for pavement reconstruction. One lane will remain open during construction. Limited impacts to northbound traffic are expected. For the safety of the public and roadway workers, the speed limit on the southbound lanes of Power Plant Parkway between Mercury Boulevard and Pine Chapel Road has been lowered to 35 mph.
